

# Spring Checklist

## *Gutters and Roof*

- ☐ Clean gutters and downspouts
- ☐ Check for proper drainage
- ☐ Inspect roof for pooling water

## *Yard and Garden*

- ☐ Empty all containers that collect water
- ☐ Check tarps and covers for water pockets
- ☐ Inspect irrigation systems for leaks
- ☐ Fill low spots where water collects
- ☐ Trim vegetation and remove leaf litter
- ☐ Clean and refresh bird baths weekly

## *Home Exterior*

- ☐ Repair window and door screens
- ☐ Check weather stripping
- ☐ Seal foundation cracks
- ☐ Install or repair door sweeps

## *Water Features*

- ☐ Add mosquito-eating fish to ponds
- ☐ Ensure fountains and water features circulate water
- ☐ Treat ornamental ponds with appropriate larvicide

## *Storage Areas*

- ☐ Properly store or dispose of unused containers
- ☐ Check boats, trailers, and recreational equipment for water collection
- ☐ Organize sheds and garages to eliminate water-collecting items
